

CME Information

DV038 – Endoscopic Papillectomy for Tumors of the Major Duodenal Papilla

Instructions:

Read this information sheet pertaining to the video. View the video, then complete the evaluation form. Return completed evaluation forms to the ASGE via fax, mail or email. A CME certificate will be emailed within 2-4 weeks of receipt to the email address indicated on the form.

Description and Learning Objectives:

This video provides a comprehensive spectrum of ampullary neoplasms of the papilla of Vater with detailed video footage of endoscopic resection techniques. Featured in the video are several endoscopic papillary excision methods, their indications, important caveats in pre-excision evaluation, technical issues pertinent to endoscopic excision, follow up imaging, and complications of endoscopic papillectomy.

As a result of participating in this educational activity, physicians will be able to:

- Describe the indications for endoscopic papillectomy.
- Identify endoscopic features associated with ampullary neoplasms amenable to endoscopic excision.
- Discuss technical issues associated with endoscopic papillectomy, including prophylactic pancreatic and biliary stent placement.

Target audience: Practicing gastroenterologists, gastroenterology fellows and trainees, medical residents, physician assistants, nurses.

Authors:

Tae Yoon Lee, MD, Myung-Hwan Kim, MD, Sang Soo Lee, MD, Dong Wan Seo, MD, and Sung Koo Lee, MD

Disclosures:

All faculty participating in continuing medical education programs must disclose to the audience any financial interest with any commercial supporter or other relationships with manufacturer(s) or providers of any product or service related to the content of their presentation. All content is peer-reviewed to ensure its quality and independence.

All individuals involved in planning and developing the content disclosed no relevant financial relationships.

CME Information:

ASGE is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

ASGE designates this educational activity for a maximum of 0.25 *AMA PRA Category 1 Credits*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Original Release: 5/1/08
